QSM'S MANUFACTURING PARTNERS (AL & FL):

AdEdge: Pressure filtration, Ion exchange, RO — FL

Airvac: Vacuum sewer systems — AL, FL

Aqualitec: Mechanical bar screens, vertical bar screens, static screens, compactors — AL

AUMA: Actuation — AL, FL

Bioworks: Lagoon extended aeration, fine bubble diffusers — AL, FL

Clow Valve Co: Butterfly, check, and plug valves — AL, FL

Electrolytic Technologies: On-site Chlorine generation — FL

Envirodyne: Clarifiers, Grit Removal, Oxidation Ditches — AL, FL

ESMIL: Multi-disc screw press — AL

Fairfield: Catenary, mechanical, and static screens, clarifiers, belt conveyors — AL, FL

GH Systems: Hydra-solids system, GO diffusers, HD clarifier — AL, FL

H2O Innovation: MBR, IFAS, packaged wastewater plants, membrane systems integration — AL, FL

Headworks International: Mechanical bar screens, MBBR, compactors — AL, FL

In-Situ: Analyzers, Meters, Instrumentation, & Sensors — AL, FL

Kennedy Valve Co: Butterfly, check, gate, mud & plug valves — AL, FL

Kingdom Technology Services: UV disinfection, metering solutions, equipment upgrades, and field service — AL, FL

McWane Ductile: Ductile iron pipe and fittings — AL, FL

M&H Valve Co: Butterfly, check, and gate valves — AL, FL

Newterra: Aspirating aerators & mixers, GAC pressure vessels, oxidation ditches, fixed film media, SBR — AL, FL

Nuove Energie : Wastewater treatment plants, & disc filtration systems — AL, FL

PB Equipment: Fine bubble plate aeration — LA, MS, AL, FL

PROCO: Rubber check valves, expansions joints, coarse bubble diffusers — AL, FL

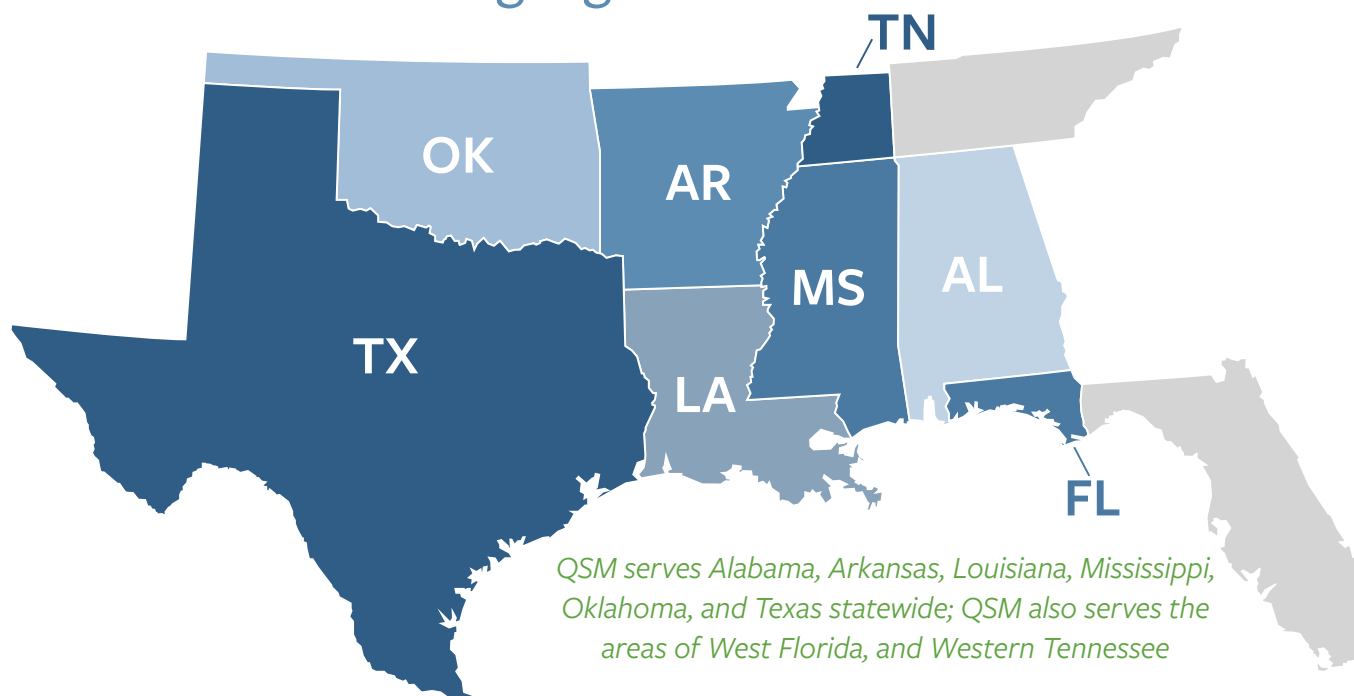

RED Group: SCADA and controls — AL, FL

Tyler Union: Ductile iron fittings, valves, and waterworks products — AL, FL

Vapex: Odor control systems — AL, FL

Waterman Valve: Cast iron and fabricated water control gates & valves — AL, FL

Service Area: Covering Eight States

ABOUT QSM

For more than two decades, QSM has partnered with leading manufacturers to provide municipalities, utilities, engineers, and contractors with innovative infrastructure solutions throughout the South Central and Southeastern United States.

Our experienced professionals combine local support with globally recognized technologies to deliver practical, yet innovative and cost-effective solutions in the communities we serve.
