Infrastructure Solutions for Texas and Oklahoma**

theQSMgroup.com

WHAT DRIVES QSM?

BUSINESS BUILT AROUND RESPONSIVENESS.

► QSM's VISION

To be the leading provider of innovative, cost-effective infrastructure solutions.

► QSM's MISSION

To stand out in the world of infrastructure by providing the highest-quality products, by listening to our customers and employees, and by delivering innovative solutions for civil construction and municipal works to create an environment of sustainable success for everyone that's involved.

► AT QSM, ... WE CARE

Customer service is our top priority. We are responsive, accurate, honest and transparent, and we strive to be on time, every time. That commitment to service extends throughout the entire product life cycle.

► WE ARE INDUSTRY EXPERTS

Our broad knowledge and strong industry relationships allow us to deliver practical, cost-effective and innovative solutions.

We continually learn from our customers, our team, our manufacturing partners and from industry leaders so we can provide better solutions and better service to those we serve.

Be H.E.R.O.I.C. Now!

The values behind how we work

HAVE FUN

We like good cheer.

EXCELLENCE

We set the bar high.

RESPECT

We honor others.

OWNERSHIP

We own what's up next.

INTEGRITY

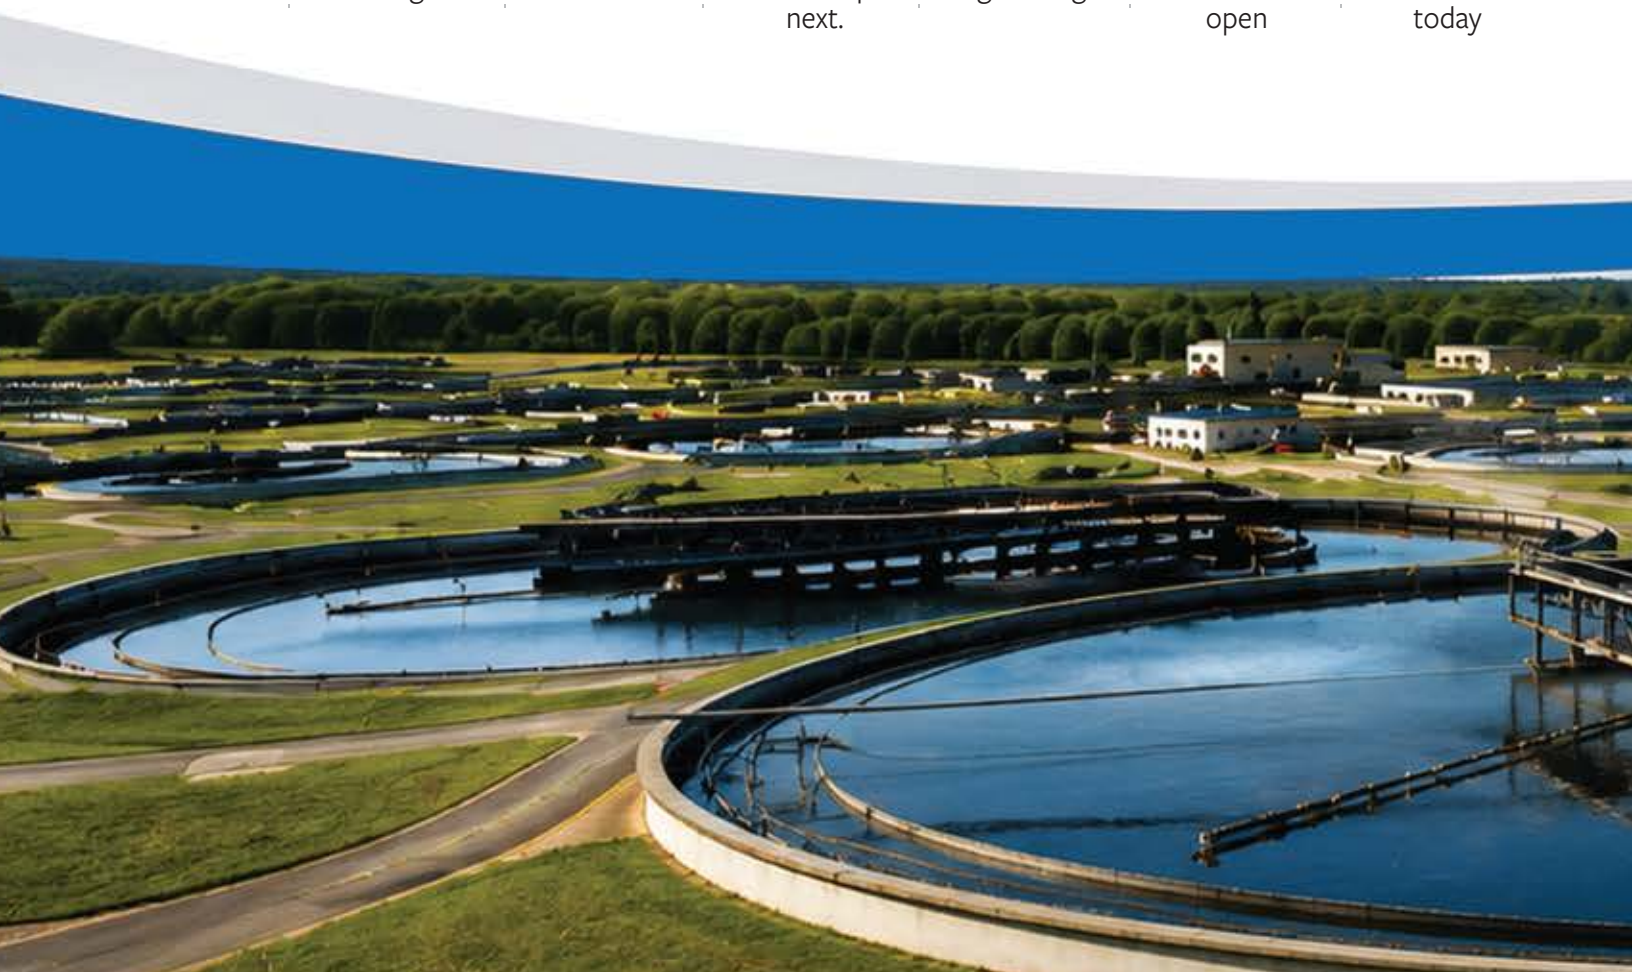

We do the right thing.

CANDOR

We are honest and open

THE NOW

We look forward to today

TEXAS & OKLAHOMA

LOCAL EXPERTISE. PROVEN PRODUCTS.

► QSM + McWane Plant & Industrial (MPI)

Your local partner for
trusted infrastructure solutions

► QSM in Texas and Oklahoma

QSM and MPI bring together decades of infrastructure experience and a portfolio of trusted brands to provide dependable, high-performance solutions for water and wastewater applications in Texas and Oklahoma.

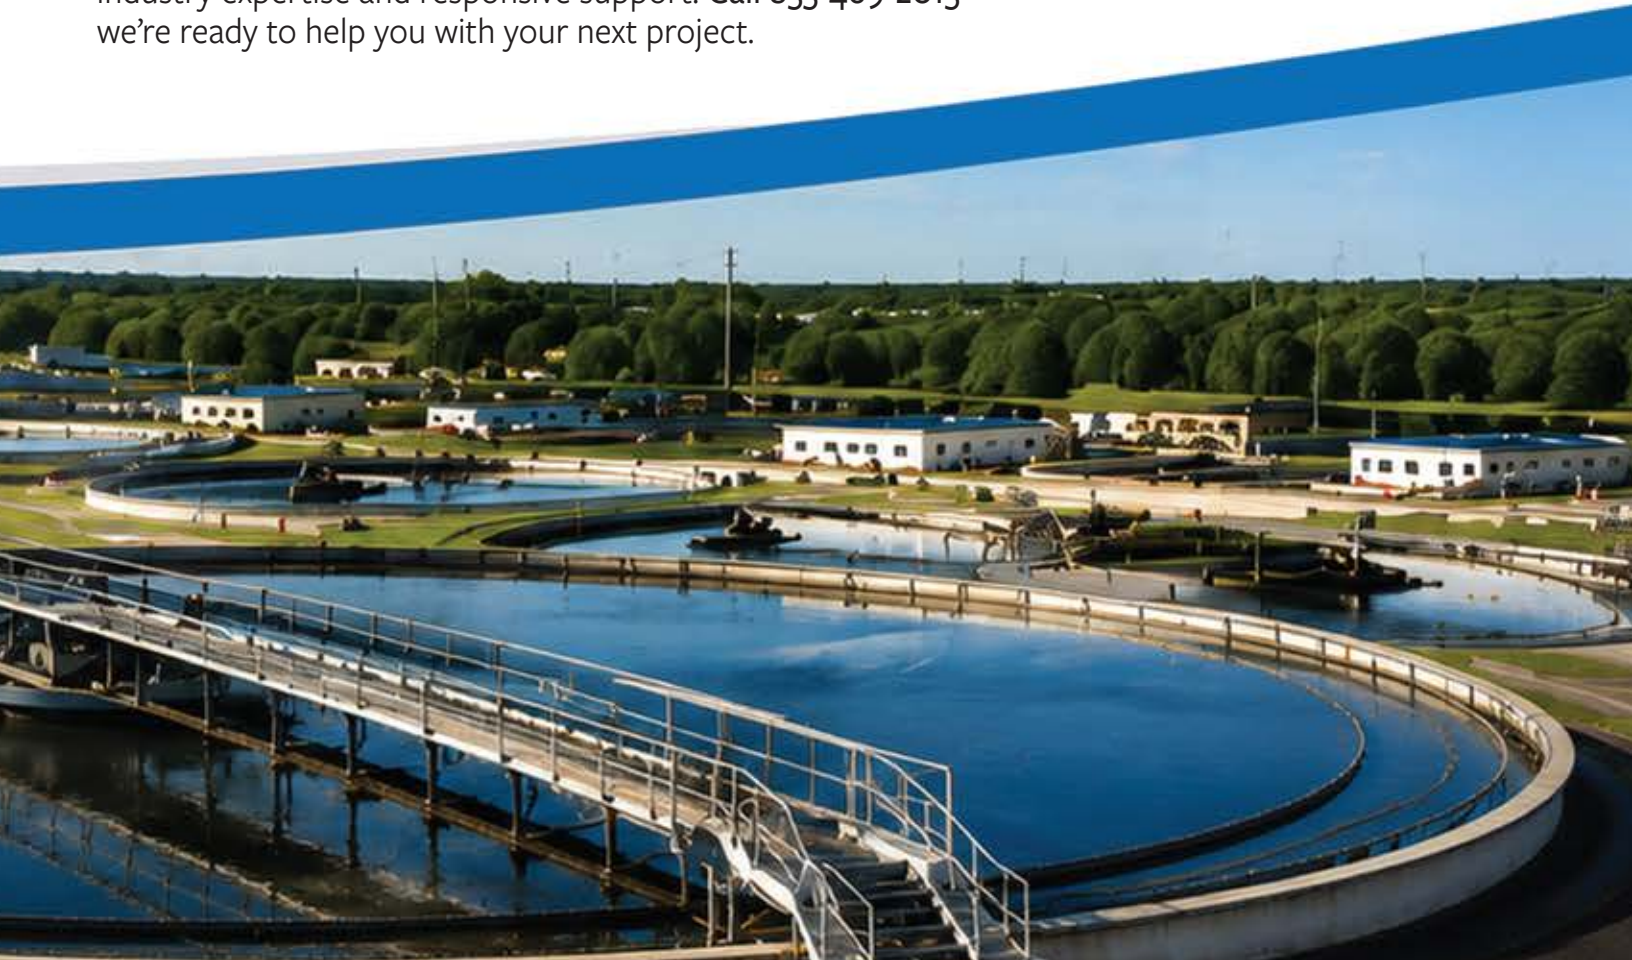

PROUDLY REPRESENTING THESE TRUSTED MPI BRANDS

From valves to fittings, from design through service, ... MPI's brands are trusted worldwide for quality, durability and innovation.

In Texas and Oklahoma, QSM is expanding access to proven products, industry expertise and responsive support. Call 855-469-2015 — we're ready to help you with your next project.

WHY QSM?

LOCAL EXPERTISE. PROVEN RESULTS.

EXPERIENCE YOU CAN TRUST. RESPONSIVENESS YOU CAN COUNT ON

► **20+ YEARS OF EXPERIENCE**

QSM has proven infrastructure expertise in serving communities across the South Central and Southeastern U.S. — we now also operate in Texas and Oklahoma.

► **LOCAL MARKET KNOWLEDGE**

Experienced, industry professionals who understand the demands of Texas and Oklahoma infrastructure projects.

► **TRUSTED AMERICAN-MADE PRODUCTS**

Access to the proven MPI family of infrastructure brands, such as: Clow, Kennedy, M&H, McWane Ductile, Tyler Union, and Waterman.

► **TECHNICAL SUPPORT**

Design assistance, Product selection, specification guidance, sales support, and application expertise.

► **RESPONSIVE SERVICE**

Support from the first conversation through installation and throughout the entire product life cycle. When challenges arise, our team is ready with practical answers and dependable support to keep your projects moving forward.

► **CALL ON QSM**

Put our experience and responsiveness to work on your next project. Call us — 855-469-2015.
